MAYA NUSANTARA

Technical Lead/Senior Engineer (Python & TypeScript) - IT Instructor
Bandung, Indonesia - Email maya@example.com - Phone +62 811 0000 1234
Portfolio https://example.com/maya

Summary

Technical leader delivering public-service software and engineering training.

Impact Highlights

- Reduced reporting turnaround while mentoring delivery teams.

Core Competencies

Backend: Python, Django, REST APIs
Frontend: TypeScript, Vue
Database: PostgreSQL, MySQL
Infrastructure: Docker, Linux
Quality: Testing, Code Review
Leadership: Mentoring, Planning
Domain: Public services, Education (training, coaching),
Workflow modernization

Experience

Contoh Learning / PT Contoh Teknologi Mar 2018 - Present

Role Progression: Training Staff, Software Staff, Engineering Lead

Engineering Lead / Software Manager Jan 2022 - Present

- Led a multidisciplinary engineering team.
- Established service reliability practices.
- Reviewed architecture and delivery plans.
- Mentored developers across teams.

- Coordinated delivery with public-sector stakeholders.

Software Staff (Full Stack Developer) Mar 2018 - Jan 2022

- Built online application workflows.
- Integrated external service APIs.
- Optimized database performance.
- Maintained deployment tooling.

Training Staff (Software Engineer Focus) Mar 2018 - Dec 2018

- Prepared engineering course materials.
- Supported practical learning sessions.

Additional Experience

IT Course Instructor Feb 2022 - Present

- Taught practical backend engineering.
- Developed hands-on programming exercises.

Selected Projects

Personnel Portal (CIVIC) (Programmer - Django, Vue, PostgreSQL) 2020-2021
Modernized personnel workflows.
Storm Tracker (METEO) (Programmer - Python, PostgreSQL) 2021
Computed nearby lightning coordinates.
Submission Hub (CIVIC) (Senior Programmer - REST APIs) 2021-2023
Reduced submission processing time.
Lake Atlas (RESEARCH) (Tech Lead - Django, Vue) 2023
Centralized environmental records.
Certificate System (SKILLS) (Tech Lead - Django, MySQL) 2024-Present
Directed digital signing delivery.

Education

Universitas Contoh - B.Sc. Information Technology 2019 - 2025
SMK Contoh - Computer & Information Sciences 2015 - 2018

Certifications & Awards

Foundation Testing Certificate, Example Board, 2024
National Service Gold Pin, Civic Agency, 2021
